

**Let's learn
about
Granville
Galaxy!**

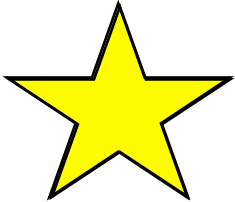

At Granville Public School we are
safe, respectful learners.

Our three school expectations are:

We are SAFE

We are RESPECTFUL

We are LEARNERS

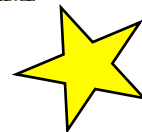

Captain Galaxy is always watching to
make sure we are being safe and
respectful at school.

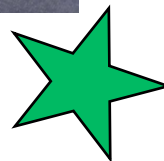

We are safe in the sun.

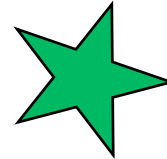

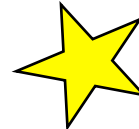

We are safe when we walk around the school.

We are respectful when we listen and follow instructions.

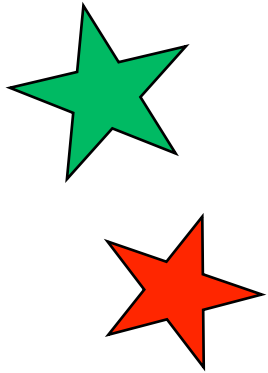

We are respectful when we care for
our own belongings.

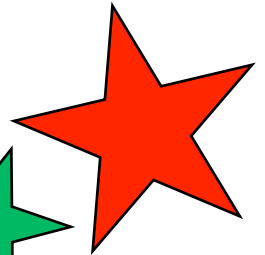

We make sure we are always being learners in all areas of the school.

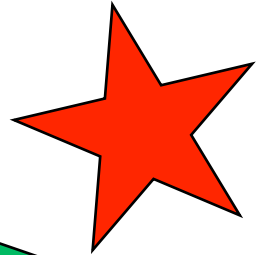

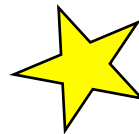

We are learners when we share and include others.

We are given Granville Gotchas on the playground when we are showing that we are following the school expectations.

We are given Star Awards for being a
safe, respectful learner in the
classroom.

We work towards getting bronze, silver and gold Star Awards.

Captain Galaxy
will be making
sure that you
are following
the three
school
expectations
next year at
Granville
Public School!
