Dear Parents,

This is an abridged newsletter and contains an updated calendar for the year. Please note the students return to school on **MONDAY, 11th October**. Our NAPLAN results have been issued and while there are some areas that we have identified as ones that require some more attention, our growth from Year 3 to Year 5 in all areas continues to be excellent and above the average state and region growths. This means that from Years 3 to Year 5, when the NAPLAN is administered, our students show more development (from Year 3 to Year 5) in the academic areas than the vast majority of schools in the state.

The calendar for term 4 is as follows:
