COMMENCING MONDAY 21/11/16.

Due to safety concerns.

ALL INFANTS AND PRIMARY STUDENTS ARE TO ENTER AND EXIT THE SCHOOL VIA THE LENA STREET OR WILLIAM STREET GATES.

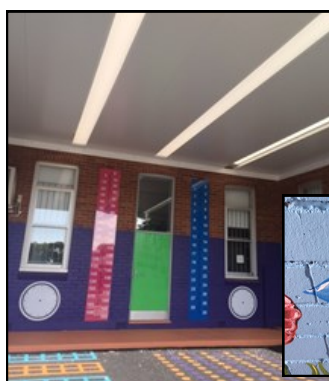

Daniel Street and Florrie Street gates will now be closed.

From the Principal's desk.....

Welcome to the week 6 Newsletter ...

Thank you to all our families for your continued support of our wonderful school; your positive support for the school shows your children how much you value what the teaching and support staff are doing for your child's education.

Many things are happening within the school, some which are very visible and some which are not, but they are all designed to ensure that our children have a happy and stimulating learning environment; and that they want to come to school each and every day. This also has positive benefits for all the staff at the school as it ensures that they have a stimulating work environment to come to each day too. For example, The Early Action for Success Team, led by our instructional leader Ms Douglas has designed our magnificent outdoor Mathematical Learning area, which had its roof installed this week; this

ical Learning area, which had its roof installed this week; this

means that the area can be used no matter what the weather is doing.

Thank you to Miss Liza our Community Liaison Officer, operating a 'PLAY-GROUP' every Wednesday morning, from 9 – 11 o'clock, where parents are invited to bring their toddlers along for the 2 hour session; and begin their toddlers learning through play.

In addition to this we have our before and after school service, operated by Camp Australia. This very valuable service is of benefit to all our working families, as the centre is operated from our school hall. Please call in and see the Camp Australia Staff as they are only too will to supply you with all the information you require, be it for the remainder of this year; or from next year.

As a staff we have been raising money for various charities throughout the year by way of casual Fridays; where staff members wear jeans for gold coin donations. For term four (4) we are raising money for Men's Health, in particular 'PROSTATE CANCER RESEARCH', which coincides with MOVEMBER; I'm sure that all parents and students have seen our male staff members growing moustaches (some better than others). As I stated at this week's assembly, if the students and parents can raise \$600 in gold coins on Friday 2 December, the day

From the Principal's desk..... continued

all male staff members will have their moustaches shaved off, I will have my head shaved to help raise awareness of Men's Health Issues and in particular PROSTRATE CANCER. So please come along on 2 December and support this truly magnificent cause.

Finally for this newsletter, on Wednesday night I attended the Auburn Review Citizenship Awards at Dooleys Catholic Club in Lidcombe, where Theodora Mounगतonga received the Citizenship of the Year Award for Granville Public School; congratulations Theodora on this magnificent achievement, from all of the staff and students of Granville Public School.

Gregory Grinham
Principal

SHAVE OFF
